Kentucky Fish and Wildlife is funded

through the sale of hunting and fishing licenses and boat registration fees. It receives no general fund state tax dollars. The Department manages, regulates, enforces and promotes responsible use of all fish and wildlife species, their habitats, public wildlife areas and waterways for the benefit of those resources and for public enjoyment. Kentucky Fish and Wildlife, an agency of the Tourism, Arts & Heritage Cabinet, supports an annual economic impact to Kentucky of \$4.5 billion.

HUNTING LICENSE

Unless license-exempt under KRS 150.170, all hunters must possess a valid Kentucky hunting license when waterfowl hunting. Persons using a license authorization number in lieu of a paper license must have the authorization number and a picture ID with them while hunting. All Kentucky residents 65 years of age and older and Kentucky residents who are certified totally and permanently disabled by the Federal Social Security Administration, by a state Workers Compensation Board, by the Kentucky Teacher's Retirement System, by the U.S. Office of Personnel Management, by the United States Railroad Retirement Board, or Kentucky resident veterans who have a permanent 50 percent disability as the result of military-related injuries are required to purchase the **Senior/Disabled combination hunting and fishing license** (\$5) and carry it while hunting or fishing. This license includes all the following state permits: deer, turkey, migratory bird, waterfowl and trout.

KENTUCKY WATERFOWL PERMIT

Any person required to possess a hunting license, except children under the age of 16, taking or attempting to take waterfowl must possess a Kentucky Waterfowl Permit. (This permit is included with the Senior/Disabled and Sportsman's License). The waterfowl permit covers all species of migratory birds. Those who buy a waterfowl permit, senior/disabled combination license, or Sportsman's license **MUST COMPLETE** a Harvest Information Program Survey (HIP) form prior to purchase.

FEDERAL MIGRATORY BIRD STAMP

In addition to the state waterfowl permit requirement listed above, all persons age 16 or over must carry a valid federal migratory bird hunting stamp (commonly called duck stamp) to hunt waterfowl. Hunters under 16 must possess a youth hunting license but the Federal Waterfowl Stamp and Kentucky Waterfowl Permit are not required. The federal stamp must be validated by the hunter's signature written across the face of the stamp in ink.

HUNTER EDUCATION

All hunters born on or after January 1, 1975, must carry a valid hunter education course completion card while hunting, in addition to the appropriate Kentucky hunting license, federal duck stamp and state waterfowl permit. Hunters not required to have a hunting license are not required to possess the hunter education card. Hunters under the age of 12 may hunt without a course completion card, but must be accompanied by an adult at least 18 years of age who remains in a position to take immediate control of the child's firearm.

Temporary exemption

A one-time temporary hunter education exemption permit is available online at fw.ky.gov. This \$5 permit allows hunting without a hunter education card for one year from the date of purchase. After it expires, the hunter is no longer exempt and must successfully complete a hunter education course.

ZONES AND REPORTING AREAS

GOOSE ZONE BOUNDARIES

For Canada goose hunting, Kentucky is divided into five zones. Different season dates and/or hunting requirements may apply to each zone. Use the boundary descriptions and maps below to determine the requirements for the zone in which you will hunt.

WESTERN GOOSE ZONE

The Western Goose Zone includes Henderson County and the portion of Kentucky west of US 60 from the Henderson-Union county line to US 641, US 641 to Interstate 24, I-24 to the Purchase Parkway and the Purchase Parkway.

PENNYROYAL/COALFIELD GOOSE ZONE

The Pennyroyal/Coalfield Goose Zone includes the area from the Western Goose Zone to and including Simpson, Warren, Butler, Ohio and Daviess counties (excluding the portions of counties in the West-Central Goose Zone).

WEST-CENTRAL GOOSE ZONE

The West-Central Goose Zone

includes Muhlenberg County, Ohio County south of the Rough River, Butler County west of Hwy 79 and north of Hwy 70, and Hopkins County east of Hwys 814 and 109, south of US 41A between Hwy 814 and Madisonville, and south of Hwy 85 east of Madisonville.

NORTHEAST GOOSE ZONE

The Northeast Goose Zone includes: Bath, Menifee, Morgan (except the portion that lies within the Paintsville Lake WMA) and Rowan counties except that no goose hunting is permitted on public land (USFS) and water within the block of land lying inside the boundaries of Hwy. 801, Hwy. 1274, Hwy. 36, Hwy. 211, Hwy. 60 and Hwy. 826. **Note:** This area includes most of Cave Run Lake.

EASTERN GOOSE ZONE

The Eastern Goose Zone is the part of Kentucky that lies **east** of the Pennyroyal/Coalfield Zone (excluding the Northeast Goose Zone).

blinds (defined as any form of concealing enclosure including a pit or an anchored, stationary or drifting boat from which hunting occurs) unless conducted from flooded, standing timber. All constructed or used blinds (including boats) must be at least 100 yards apart and at least 50 yards from any property line. A waterfowl hunter shall not possess more than one shotgun while in the blind. Blind requirements are suspended during the late snow goose conservation order and the September wood duck and teal season.

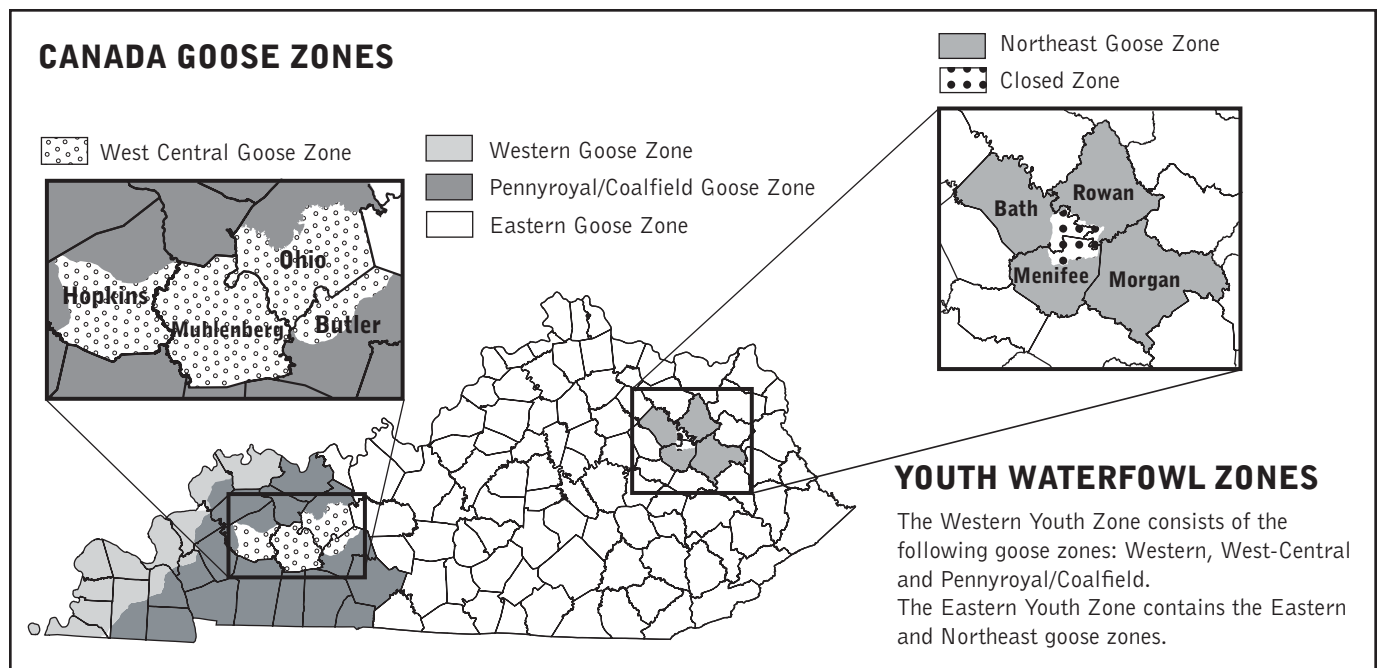

Waterfowl hunters in the Ballard and (former) Henderson-Union Reporting Areas are **NO LONGER REQUIRED** to report their harvest during Canada goose season. Commercial operators must still obtain a commercial permit.

REPORTING AREA BOUNDARY

Starting at the northwest city limits of Wickliffe in Ballard County to the middle of the Mississippi River, then north along the Mississippi to the low water mark of the Ohio River along the Illinois shore to the Ballard-McCracken County line; then along the county line south to KY 358, then south along KY 358 to its junction with US 60 at LaCenter; then following US 60 southwest to the northeast city limits of Wickliffe.

BALLARD REPORTING AREA

In the Ballard Reporting Area, waterfowl hunting is permitted only from

FEDERAL REGULATIONS

In addition to state regulations, the following federal laws apply to the taking, possession, shipping, transporting and storing of migratory game birds.

Note

The material below is only a summary. Each hunter should also consult the actual federal regulations, which may be found in Title 50, Code of Federal Regulations, Part 20.

RESTRICTIONS

No person shall take migratory game birds:

- With a trap, snare, net, rifle, pistol, swivel gun, shotgun larger than a 10 gauge, punt gun, battery gun, machine gun, fishhook, poison, drug, explosive or stupefying substance;
- With a shotgun capable of holding more than three shotshells, unless it is plugged with a one-piece filler which is incapable of removal without disassembling the gun;
- From a sink box (a low floating device, having a depression affording the hunter a means of concealment beneath the surface of the water);
- From or with the aid or use of a car or other motor-driven land conveyance, or any aircraft, except that paraplegics and single or double amputees of the legs may take from any stationary motor vehicle or stationary motor-driven land conveyance. "Paraplegic" means an individual afflicted with paralysis of the lower half of the body with involvement of both legs, usually due to disease or injury to the spinal cord;
- From or by means of any motor boat or sail boat unless the motor has been completely shut off and/or the sail furled, and its progress therefrom has ceased;
- By the use or aid of live decoys. All live, tame or captive ducks and geese shall be removed for a period of 10 consecutive days prior to hunting, and confined within an enclosure which substantially reduces the audibility of their calls and totally conceals such tame birds from the sight of migratory waterfowl;
- Using records or tapes of migratory bird

calls, or sounds, or electrically amplified imitations of bird calls (except electronic calls may be used during the Snow Goose Conservation Order);

- By driving, rallying or stirring birds with any motor-driven land, water or air conveyance or any sail boat to put them in the range of the hunters; or
- By the aid of baiting (placing feed such as corn, wheat, salt or other feed to constitute a lure or enticement), or on or over any baited area. Hunters should be aware that a baited area is considered to be baited for 10 days after the removal of the bait.

CLOSED SEASON

No person shall take migratory game birds during the closed season.

SHOOTING HOURS

No person shall take migratory game birds except during the hours open to shooting as prescribed.

DAILY BAG LIMIT

No person shall take in any one day more than one daily bag limit.

FIELD POSSESSION LIMIT

No person shall possess more than one daily bag limit while in the field or while returning from the field to one's car, hunting camp, home, etc.

WANTON WASTE

All migratory game birds shall be retrieved, if possible, and retained in the custody of the hunter in the field.

TAGGING

No person shall put or leave any migratory game birds at any place or in the custody of another person unless the

birds are tagged by the hunter with the following information: a) the hunter's signature; b) the hunter's address; c) the total number of birds involved, by species; d) the dates such birds were killed.

Tagging is required if the birds are being transported by another person for the hunter, or if the birds have been left for cleaning, storage (including temporary storage), shipment or taxidermy services.

POSSESSION OF LIVE BIRDS

Wounded birds reduced to possession shall be immediately killed and included in the daily bag limit.

DRESSING

No person shall completely field dress any migratory game bird (except doves and band-tailed pigeons) and then transport the birds from the field. The head or one fully feathered wing must remain attached to all such birds while being transported from the field to one's home or to a migratory bird preservation facility.

SHIPMENT

No person shall ship migratory game birds unless the package is marked on the outside with: a) the name and the address of the person sending the birds; b) the name and the address of the person to whom the birds are being sent; and the number of birds, by species, contained in the package.

IMPORTATION

For information regarding the importation of migratory birds killed in another country hunters should consult 50 CFR 20.61 through 20.66. One fully feathered wing must remain attached to all migratory game birds being transported between the port of entry and one's home, or to a migratory bird preservation facility. No person shall import migratory game birds killed in any foreign country, except Canada, unless such birds are dressed (except as required in 20.63), drawn, and the head and feet are removed. No person shall import migratory game birds belonging to another person.

DUAL VIOLATION

Violation of state migratory game bird regulations is also a violation of federal regulations.

Caution

More restrictive regulations may apply to National Wildlife Refuges open to public hunting. For additional information on Federal Regulations, consult Assistant Regional Director- LE, U.S. Fish and Wildlife Service, P.O. Box 4839, Atlanta, Georgia, 30302-4839; phone: (404) 331-5872.

PUBLIC LAND HUNTING

BLIND REGISTRATION

On the following areas, blind sites must be registered on a permit issued by the U.S. Army Corps of Engineers or Kentucky Fish & Wildlife before the blind is constructed: Barkley Lake, Barren River Lake, Buckhorn Lake, Doug Travis, Green River Lake, Nolin River Lake, Rough River Lake, and Sloughs. Applicants must show a valid hunting license, Kentucky Waterfowl Permit, and Federal Migratory (Duck) Bird Stamp when applying. An applicant may designate one other person as a partner and shall not hold more than one permit per area. Blind sites registered on these areas not occupied by one hour before sunrise of any day are considered open to other hunters, first-come, first-served basis for that day. Permittees shall not lock blinds to prevent use by other hunters in absence of the permittee. Blind sites on the above listed areas must be constructed by November 20 and removed within 30 days of the close of the season. Permittees who fail to remove their blind as stated will forfeit the opportunity to obtain a blind the following year.

On Barkley, Barren River, Doug Travis, Green River and Sloughs WMAs, hunters who want blind sites must register and be selected by random drawing. Drawings are held in September and October and applicants must be 18 years of age and show a valid Kentucky hunting license, a Kentucky waterfowl permit and a Federal migratory bird stamp at that time. Each person drawn may select a co-owner of the blind site for hunting in the absence of the person drawn. Co-owners must be present at the drawing. Drawn hunters may use their blind site the entire season and may use a boat or a portable blind or construct a permanent blind. Each blind site must be pinned with a permanent marker identifying the permit holders for the blind site. If drawn hunters do not occupy a blind or blind site by one-hour before sunrise that day, the blind or blind site is open to other hunters on a first-come, first-served basis.

BLIND RESTRICTIONS

Unless otherwise stated under the CLOSED AREAS AND SPECIAL REGULATIONS FOR WMAs, the following restrictions apply to all open WMAs:

- permanent blinds are not permitted;
- decoys and temporary blinds must be removed from the WMA at the end of each hunting day;
- blinds must be at least 200 yards from any other blind or waterfowl refuge area;
- no more than 4 persons shall occupy a single blind at any one time; and
- designated recreation areas and access points are closed to all waterfowl hunting.
- discharge of firearms is prohibited within 100 yards of a residence or occupied building whether or not the building is on the WMA.

CLOSED AREAS AND SPECIAL WMA REGULATIONS

Special season dates, limits and requirements are in effect for the following areas. If specific season dates are given for an area, that is the only time waterfowl hunting is permitted. Otherwise, hunting is open under statewide dates and regulations for the zone where they are located. This section also lists any areas that are closed to hunting or public access. Areas owned or managed by Kentucky Fish & Wildlife not listed below are open based on the zone in which they are located.
